Application No.: LCC/7/83

1. Shri Anil Arjun Satoskar — Applicant
V/s.

1. M/s. Gosalia Shipping Pvt. Ltd. — Opponent

Applicant represented by Adv. A. Nigalye.

Panaji. Dated: 17-6-1985

AWARD

This is an application filed by the above applicant under Section 33C(2) of the I.D.A., 1947, in short the Act, against the above Opponent, claiming from the latter the total amount of Rs. 52,215-35 of his wages, bonus, arrears, gratuity, retrenchment compensation, notice pay, encashment of leave and reimbursement of medical bills, as detailed in the annexure to the application.

2. It is applicant's case, that he was working for the Opponent from 1-7-1967 till December 1981, as an Accounts Clerk-cum-Cashier at its Shipping Division at Mormugao Harbour; that he was retrenched w.e.f. 1-1-1982, without payment of retrenchment compensation and without giving one month's notice or wages in lieu thereof, as required under Section 25F of the Act. It is further submitted by the applicant that the Opponent has not paid him wages from August 1979 till December 1981 and he has also not received the other amounts specified in the annexure, which he has now claimed.

3. The Opponent, in its written statement, has raised preliminary objection regarding the jurisdiction of this Court to entertain this application on the ground that the applicant is a dock worker within the meaning of Dock Worker (Regulations of Employment) Act, and as such the Central Government is the appropriate Government in relation to any dispute. It is further submitted that the applicant, through the Goa Dock Labour Union, has raised an industrial dispute before the Asstt. Labour Commissioner, Central Government, Vasco da Gama, which dispute is at present pending before the Hon'ble Industrial Tribunal-cum-Labour Court, Central Government at Bombay, in which 2 hearings had already taken place.

4. In his rejoinder, the applicant has denied the contents of para 2 sub-para (A) to (F) of the Written Statement.

5. Following issues were framed by the Court:

"1. Whether the Opponents prove that this Court has no jurisdiction to entertain this application, as the applicant is a dock worker within the meaning of 'Dock Workers (Regulation of Employment) Act?

2. Whether the Opponent proves that the applicant has raised in this application a substantive Industrial Dispute which this Court has no jurisdiction to entertain?

3. Whether the applicant proves that he is entitled to the amounts claimed?

Issues No. 1 and 2 to be deemed as preliminary."

6. After list of evidence was filed, the Ld. Rep. for the employer died and so notice was sent to the employer to arrange for another rep., failing which the matter would be heard ex-parte. Date was fixed for employer's evidence, as the preliminary issues were to be proved by the employer. Notice which was sent by regd. A/D to the employer was returned with postal remarks: "Office closed. Return to Sender". On the date fixed, neither the applicant nor his rep. were present and the Opponent also was absent. Case was adjourned and the applicant's rep. was directed to move the Court regarding further steps. As he did not apply, order was passed on 13-5-1985, directing the applicant's rep. to deposit in this Court, within 5 days, the necessary amount to get the said notice published in the Newspaper, failing which the application would stand dismissed. The applicant, however, did not deposit the required amount.

7. As the case cannot proceed without informing the employer of the next date fixed, which information has to be published in the Newspaper, as the office of the employer is found closed, and since the applicant has not deposited the necessary amount for such publication, this Court is unable to proceed with the matter. Hence, the following order is passed:

IN THE INDUSTRIAL TRIBUNAL GOA, DAMAN AND DIU, PANAJI GOA

(Before *Dr. Renato de Noronha*, Hon'ble Presiding Officer)

Reference No.: IT/36/84

1. Shri Narendra L. Naik — Workman/Party I
V/s.
1. M/s. Carter Wallace Limited — Employer/Party II
Workman/Party I represented by Adv. Albano Viegas.
Employer/Party II represented by Adv. G. K. Sardesai.

Panaji, Dated: 21-6-1985

AWARD

The Government of Goa, Daman and Diu, by its Order No. 28/11/84-ILD dated 3rd July, 1984, has referred for the adjudication by this Tribunal of an industrial dispute between the above parties. The schedule annexed to the order of reference reads as follows:

"Whether the action of the management of M/s. Carter Wallace Limited, Curti, Ponda Goa, in terminating the services of Shri Narendra L. Naik, Helper with effect from the 29th February, 1984, is legal and justified?

If not, to what relief the workman is entitled to?"

2. In his statement of claim the Union has stated, in short, as follows:

The workman in question was appointed by the employer as General Attendant from 4-10-1979; by their letter No. PERS/CWL/682 dated 28-2-1984, he was terminated from services of the employer without assigning any reasons and required to collect retrenchment compensation. It is alleged that the termination of the services of the workman is malafide, illegal, null and void on the various grounds mentioned in the claim statement.

3. The employer, in its written statement, has alleged, in short, as follows:

The termination of services of the workman is for loss of confidence and in accordance with the Standing Orders of the Company. The employer, M/s. Carter Wallace Limited, is engaged in the manufacture of drugs at its factory at Curti, Ponda; the sale of some of these drugs is strictly regulated by the Drugs Control Act and Rules thereunder; some of the drugs manufactured at the factory are narcotic (Schedule 'X') in nature and the sale of these drugs is strictly regulated and controlled and a special licence is required for stocking and selling the same. Apart from this, these drugs can be sold by a licence holder only

on the prescription of a qualified medical practitioner. Among these drugs, one of the drugs manufactured at the employer's factory is "Prodorm" tablets. These tablets are narcotic (schedule 'X') and stocking and despatch of these tablets is, therefore, strictly regulated by Drugs Control Authorities. Mr. P. J. Menezes, then President of M/s. Carter Wallace Limited and who is also the Chairman and Partner of Cosmed Analytical and Central Services, had been receiving reports for long that "Prodorm" tablets were being unauthorisedly and clandestinely removed from the factory premises by some of the employees. Information further disclosed that such tablets were thereafter being sold to drug addicts including mostly innocent students. The Chairman was extremely pained at this development and expressed his anxiety to trace the source of pilferage and to plug the loopholes with a view to ensure that these drugs are not removed from the factory premises. The department Drugs Controller had brought to the attention of the employer about the persistent flow of these narcotic drugs, specially to the student community and these drugs were being pilferaged from the employer's factory premises. The department of The Drugs Controller had warned the employer of serious consequences and had directed them to take necessary action to stop the pilferage and failure to do so would subject the employer to penal consequences and also the suspension and/or cancellation of manufacturing licence. Further, the name of the company was likely to be tarnished if the matter received exposure. As a result of these warnings and with a view to avoid drug abuse, the President of the company had personally initiated an inquiry by a special detective agency to trace and plug the source of pilferage. On 3-2-1984, Mr. Eric Menezes the nephew of the President met Mr. P. J. Menezes and informed him that, pursuant to information received from his friends, he had a meeting with Mr. F. X. D'Souza an employee of Cosmed Analytical and Central Services on the previous day (2-2-1984) when Mr. D'Souza was questioned by Mr. Eric Menezes about the pilferage of "Prodorm" tablets from the factory premises of the employer, Mr. D'Souza admitted that he was responsible for the unauthorised removal of the tablets from the factory premises. He further admitted of having sold these tablets to different unauthorised persons and, in fact, on that very day, he assured supply of these tablets to some of those persons. At the instance of Mr. Eric Menezes, they went to the residence of Mr. D'Souza at Mercedes, where Mr. D'Souza handed over a plastic container containing approx. 1000 "Prodorm" tablets. This plastic container was handed over to Mr. P. J. Menezes. Pursuant to preliminary investigation, it was disclosed by Mr. D'Souza that the workman Mr. Narendra Naik, helper, was responsible for supplying these tablets to Mr. F. X. D'Souza. Narendra was called from the factory premises and questioned personally by the President. The employer has denied that the termination of the services of the workman is an afterthought and stated that it is bonafide and for loss of confidence, as it was felt that the tablets in question were 'Schedule X' drugs and as such any pilferage and subsequent unauthorised sale would lead to serious consequences. Mr. Narendra Naik, the workman, was responsible for the pilferage of these drugs.

4. Following issue was framed:

"No further issues besides those involved in the Order of Reference."

5. After list of evidence was filed by the parties, date was fixed for evidence, but before such evidence was recorded, both the parties settled the matter amicably and filed before the Court, the terms of settlement, praying that consent award be passed accordingly.

6. The terms of settlement are as follows:

"1. It is agreed between the parties that the Union/Workman shall not press IT Reference No. IT/36/84 pending before Industrial Tribunal, Panjim, Goa, and the same shall be treated as settled.

2. It is also agreed that the Workman Mr. Narendra L. Naik shall be re-employed. However, it is agreed that he shall be re-employed in the same position in Wallace Pharmaceuticals Limited but he shall be entitled to continuity of services and that he shall be placed/absorbed in any similar position in his category and skill in any factory/unit/or department as per the choice of the management.

3. It is agreed between the parties that the Workman shall not be entitled to wages during the period he was out of employment from the date of termination upto the

date of settlement. However, the workman shall be paid subsistence wages for the period March 1984 to July 1984, and the Management shall not recover the subsistence wages paid to Mr. Narendra L. Naik in pursuance of the order of the Industrial Tribunal by its Order dated 17-9-1984.

4. It is also agreed that the workman's emoluments in terms of basic wages, VDA, FDA, HRA etc. will be protected and he would be entitled to the same designation i. e. 'Helper'.

5. The parties agree to file the terms before the Industrial Tribunal Panjim, Goa with a request that a consent award may be passed in terms of settlement.

6. The Union/Workmen agree not raise any Industrial Disputes pertaining to this matter.

7. It is agreed between the parties that they shall file copy of Settlement before Assistant Labour Commissioner, Margao Goa."

7. The above terms are just and fair to both the parties and hence I accept them and pass the following order:

ORDER

Consent Award in terms of the settlement above is hereby made and the reference is disposed off, with no order as to costs.
